20th October 2008,

57 units of S5-Dual MLD-100 (1 kVA online UPS) with SNMP were selected as their preferred UPS by Central Bank of Philippines in protecting their equipments in their regional offices and branches of Central Bank of Philippines.

The Bangko Sentral ng Pilipinas (BSP) is the central bank of the Republic of the Philippines. It was established on 3 July 1993 pursuant to the provisions of the 1987 Philippine Constitution and the New Central Bank Act of 1993. The BSP took over from the Central Bank of Philippines, which was established on 3 January 1949, as the country's central monetary authority. The BSP enjoys fiscal and administrative autonomy from the National Government in the pursuit of its mandated responsibilities.
